I'll watch you crumble like a very old wall

I'll see you stranded  
you took me for a fool.  
I'll have my revenge  
cause I owe you nothing  
nothing at all.

I owe you nothing  
nothing at all

I owe you nothing  
nothing  
nothing at all  
nothing  
nothing at all.

I'll watch you suffer with no feelings  
no feelings at all

and you'll see you desperate  
you won't hear my call.  
And he who laughs last owes you sweet nothing  
nothing at all.

I owe you nothing  
nothing at all  
I owe you nothing  
nothing  
nothing at all.

I was yours and you were mine

but you ran around and told me lies

you got big  
big  
big  
big trouble.

I owe you nothing  
I owe you nothing

I owe you nothing

I owe you nothing

I owe you nothing

I owe you nothing
