You've a head too big for your body and a mouth too wide for your face
An ego as big as a mountain and in those clothes - you look a disgrace
Girlfriends love to hate you and you relish all their spite
Now your family's disowned you and you certainly know - wrong from right
(?.....?)
Well I love to hate you, Ooh I'd hate to love you-ou-ou
Love to hate you, ooh yeah
Ooh I'd hate to love you but I just can't help myself
Loving you babe - I can't help myself (Ooh I love to hate you)
How come you have this power when you're only five-foot-four
Surely you come from this world, yet the men come flocking - to your door
Oooh, you gotta a certain way of sitting
A body language of your own, something like a magnet
Please leave - leave me alone (leave me alo-o-one)
Well I love to hate you (hate you)
Ooh I'd hate to love you-ou (love you-ou-ou)
Lo-ove to hate you, ooh yeah-eah
Ooh I'd hate to love you but I just can't help myself
Loving you babe, you drive people crazy
With one look from your eyes, oh-oh-oh-oh
Lo-lo-lo-lo-love, lo-lo-love to hate you (hate you, hate you)
Ooh I'd hate to love you-ou (love you-ou-ou, love you-ou-ou)
Love to hate you (love to hate you, hate you)
Ooh I'd hate to love you but I just can't help myself
Loving you babe, (love to hate you) loving you babe, loving you babe
Ooh I'd hate to love you-ou-ou (love you-ou-ou)
Love to hate you, yeah-oh-oh
Ooh I'd hate to love you but I just can't help myself
Loving you babe (Love to hate you), love to hate you
Ooh I'd hate to love you-ou, yeah, Love to hate you, yeah-oh-oh
Ooh I'd hate to love you but I just can't help myself
Loving you babe, (love to hate
