Shocked shocked to the core
My very existence has been
thrown out the door
Couldn't sleep, couldn't eat
Couldn't believe the news off the street
Well I'm shocked shocked
Shocked to the core

Shocked shocked to the core
Not even money can find a cure
Is there hope and a prayer
What will become of my world
Well I care
Still I'm shocked shocked
Shocked to the core

It's a killer it's a killer
That threatens the centre of life
So beware of the killer of dreams
And of life and of love as we know it

Couldn't eat couldn't sleep
I couldn't believe the news off the street
Well I'm shocked shocked
Shocked to the core
Not even money can find a cure
Is there hope and a prayer
What will become of my world
well I care
Still I'm shocked shocked
shocked to the core

My very existence thrown out the door
Couldn't eat, couldn't sleep
I couldn't believe the news off the street
Shocked shocked shocked
