Alone is now
Then was together
I have only memories
That make me feel better
Time alone is my only drug
Ill never forget my sister

She was torn between two worlds
Of a city and a suburb
Were her shouts of anger
And frustration ever heard
But she Â....

(CHORUS)

DidnÂ't get out in time no
She didnÂ't no she didnÂ't
Get out in time
Was the future blind
Sister, oh sister
You're on our minds

A city girl
A future to find
Frozen footsteps so cold
Back in time
A big mistake a wrong move
The lord moves in mysterious ways

She was torn between two worlds
Of a city and a suburb
Were her shouts of anger
And frustration ever heard
But she Â....

(CHORUS)
