"Streetwise"

You start to steal and you ask to lend
You need the shit like a latest trend
Drugs don't drop you don't need that crap
You can be bad but not like that
You better be A...

(CHORUS)

Streetwise streetwise don't pretend
And if someone tries to give he's your friend
Streetwise streetwise to the end
Its like the latest trend
Its like the latest trend
It always ends

Its just a one way dead just a dead end street
No place to turn and no place to meet
You don't get a second throw no not in this game
And if you've ever seen a player they all end the
same
Like A....

(CHORUS)

You start to steal and you ask to lend
You need the shit like a latest trend
Drugs don't drop you don't need that crap
You can be bad but not like that

Street street

(CHORUS)

Don't steal off your Mammias
Don't steal off your Fathers
Don't steal off your Brothers
Don't steal off your Friends
Cos they're the ones who love you
They stay with you forever

Gotta say street street
