"And We Shall Purify"

Visit "[And We Shall Purify](#)" on MotoLyrics.com

Passion plays
Demon orbits
Deep inside
The inner sanctum
of supergalactik
Cosmic blackness
Mesmorized and tranformatik

Sanctify
Crucify
Demonizer
Purify

Levitate into the astral
Place of everlasting bodies
Sacrificed
Brutalized
Screaming death of lust inside
Transiting the plague of Saturn
Burning phallic
Rising venom
Blazing light
Dying master
Possess me now and you will suffer

Sanctify
Crucify
Demonizer
Purify

Intoxicating ritualistic
Kaos praising so sadistic
Into the void of the resurected
Devine sacred and obsessive
Constellations of destruction
Manifesting my seduction
Goddess death impurity
Down on your knees and make it bleed

Sanctify
Crucify

Demonizer
Purify

And we shall purify
And we shall purify
