Cut!

Cut like a guillotine!

Shake like an earthquake, earthquake, like an
earthquake, earthquake

Shake like an earthquake, earthquake, like an
earthquake, earthquake

Shake like an earthquake, earthquake, like an
earthquake, earthquake

Shake like an earthquake, earthquake, like an
earthquake, earthquake

Shake like an earthquake, sha-sha-sha-sha-sha-shake
like an earthquake

Sha-sha-sha-sha-sha? (Fi-fi-five six seven!)

Sha-sha-sha-sha-sha-shake like an earthquake, shake
like an earthquake

Cut like a guillotine!

When lovers are dancing on clouds that are silvery
white

Seasons are changing and rainbows are shining all
night, all night

And everyone's smiling cause they found their own
piece of mind

We're living a fantasy's dream of what they will find
Will find in a wonderful world

I'll be there for you (I'll be there, I'll be right there with
you)

Let me take your hand (I'll be there, I'll be right there
with you)

I'll be true to you (I'll be there, I'll be right there with
you)

And lead you to the promised land?

I'll be there for you (I'll be there, I'll be right there with
you)

Let me take your hand (I'll be there, I'll be right there
with you)

I'll be true to you (I'll be there, I'll be right there with
you)

And lead you to the promised land (Shake like an earthquake...)
In a wonderful world, in a wonderful world? Mmm yeah

Sha-sha-sha-sha-sha-shake like an earthquake
Sha-sha-sha-sha-sha? (Fi-fi-five six seven!)
Sha-sha-sha-sha-sha-shake like an earthquake, shake like an earthquake
Cut like a guillotine!

Earthquake, like an earthquake, earthquake
Shake like an earthquake, earthquake, like an earthquake, earthquake
Shake like an earthquake, sha-sha-sha-sha-sha-shake like an earthquake
Sha-sha-sha-sha-sha? (Fi-fi-five six seven!)
Sha-sha-sha-sha-sha-shake like an earthquake, shake like an earthquake

In a wonderful world, in a wonderful world? Mmm yeah

When lovers are dancing on clouds that are silvery white
Seasons are changing and rainbows are shining all night, all night
And everyone's smiling cause they found their own piece of mind
We're living a fantasy's dream of what they will find
Will find in a wonderful world

I'll be there for you (I'll be there, I'll be right there with you)
Let me take your hand (I'll be there, I'll be right there with you)
I'll be true to you (I'll be there, I'll be right there with you)
Lead you to the promised land?

(Shake like an earthquake!)
In a wonderful world, in a wonderful world? Mmm yeah
(Cut like a guillotine!)
Cut like a guillotine!
