Come on and run to me, run to me, run to me, run to me? (x4)

I feel I?m running down beneath
The shadow of your heart?s desire
I sent you at the spear of passion
Running on the way to paradise

Come on and run to me, I love you so (x4)
Come on and run to me, run to me, run to me, run to me? (x4)
Come on and run to me, I love you so (x4)

Just send me sweets, send me sweets, now send me sugar, feed me love
Send me vampire and da riddler big one gotta lug a bass me coffee rub-a-dub
Just send me sweets, send me sweets, now send me sugar, feed me love
Me vampire and da riddler big one gotta lug a bass me coffee rub-a-dub
