

Happy Campers "Little Man"

Visit "[Little Man](#)" on MotoLyrics.com

Please be strong little man. The doctors are doing all they can. But it's gonna be a while for you come home to me. So please be strong little man 'cause daddy is doing all he can. But it's gonna be a while for you come home to me. So get big and get strong. Make sure nothing's wrong 'cause you mean everything to me. Get big and get strong. Prove all those doctors wrong 'cause you mean the whole world to me. You're doing so good little man. I know that you're doing all you can, So I'll be strong. It wont be long now before you come home to me.
