We are the children of the night
We fight for the future of our nation
Lets come together and unite
Nothing's gonna stop us now!

We are the children of the night
We fight for the future of our nation
Lets come together and unite
Nothing's gonna stop us now!
Let the fire burn inside
Nobody can stop this generation
Cos we're the children o the night
Dont ever let them put u down!

Get up,get up
Get up, now is the time to change
Get up, get up
get up, there is no time to waste
Get up, get up
get up, dont ever let them put u down
Get up, come along and join the scene
Live your life a rave machine!

We are the children of the night
We fight for the future of our nation
Lets come together and unite
Nothing's gonna stop us now!
Let the fire burn inside
