See me climb as high as I can go
Looking down on people far below
You can live a secret fantasy
Take a magic carpet ride with me

See me climb as high as I can go
Looking down on people far below
I can try and seek my destiny
Take a magic carpet ride with me

Higher, going higher, going higher
Going higher, going higher, going higher

Higher, going higher, going higher
Going higher, going higher, going higher

See me climb as high as I can go
Looking down on people far below
You can live a secret fantasy
Take a magic carpet ride with me

See me climb as high as I can go
Looking down on people far below
I can try and seek my destiny
Take a magic carpet ride with me

You can live a, you can live
You can live a, you can live
You can live a, you can live
You can live a secret fantasy
(x2)

Uh-huh, see me climb as high as I can go
Uh-huh, as high as I can go
Uh-huh, see me climb as high as I can go
Uh-huh, going higher

Uh-huh, see me climb as high as I can go
Uh-huh, going higher

See me climb as high as I can go
Looking down on people far below

You can live a secret fantasy
Take a magic carpet ride with me

See me climb as high as I can go
Looking down on people far below
I can try and seek my destiny
Take a magic carpet ride with me

See me climb as high as I can go
Looking down on people far below
You can live a secret fantasy
Take a magic carpet ride with me

See me climb as high as I can go
Looking down on people far below
I can try and seek my destiny
Take a magic carpet ride with me

Uh-huh, see me climb as high as I can go
Uh-huh, as high as I can go
Uh-huh, see me climb as high as I can go
Uh-huh, going higher

You can live a, you can live
You can live a, you can live
You can live a, you can live
You can live a secret fantasy
