Aaah...oooh  
I can't find you  
You've hidden well

Well, Ally ally oxenfree  
Ally ally oxenfree  
I can't find you  
And I'm too tired to play

So, Ally ally oxenfree  
Ally ally oxenfree  
You were here, right here  
I don't know where you are now  
If you won't show for me  
I won't search for you  
I can't find you  
Must I be "it" forever?

Ally ally oxenfree  
Ally ally oxenfree  
Touch home-base  
For your sake, love  
'Cause I'm going home now  
Touch home-base  
For your sake, love  
'Cause I'm going home  
I'm going home  
Ally ally oxenfree  
Ally ally oxenfree
