

Happy Mondays "Angel"

Visit "[Angel](#)" on MotoLyrics.com

It's not I who sought the novice
It's the novice who sought me
The cook went blind, drank too much
And fed his guest on angeldust

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

When did the pain start?
What have the symptoms been?

If my heads been through a windscreen
Why are all the eyeballs green?
Take me round the roundabout slow down
Don't stop, oh bail out, pull over

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

It was not I who bit Sheriff
It was the sheriff who bit me
Cut me open and stitched me up
Be my lamb chops, buttercup

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

What's a crucifixion?
What's a crucifixion mean?
I was bitten by a horse
And now I'm moving for divorce

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

It took more than one man
To change my name to Shanghai Lily
Cook went blind, drank too much
And fed his guest on angel dust

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

What's a cluckin' chicken?
What's a cluckin' chicken need?
Where's the cluckin' chicken?
Where's the cluckin' chicken been?

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?

Where did the pain start?
When did the symptoms begin?
Where did the pain start?
What have the symptoms been?
