Bring all the family
Take all the family
Let all the family
See all the family

Bring all the family out to the holiday
While we're all still around
Show you what the cats been doing
And how he gets around

You can't wake him
He's not sleeping
He never comes down

Bring all the family, out to the holiday
While we're all still in town
We show you what's the cats been doing
And how he gets around

Skin up lady, lady skin up
Now that we live together
We both get fucked up

Bring all the family
Out to the funeral
Bring all the family
Out to the funeral

It's only Grandpa that's died
He really couldn't see what you're doing an'
All his friends were white

Skin up lady, lady roll up
Now that we live together
We both get good luck

Bring all the family
Take all the family
Bring all the family
See all the family

Skin up lady, lady roll up

Skin up lady, lady roll up
