t's in the blood, man (Live)
It's in the blood, man
It's in the blood, man
It's in the blood, man
Ready or Not

Do you like to joke the joke
Do you like to joke the joke
I'm gonna build a fuckin' house next
door to you, that's what I'm gonna do.

Do you like to joke the joke
Cause that's what I can do
Do you like to joke the joke
I'm gonna build a fuckin' house next
door to you, that's what I'm gonna do.

It's the blood, man
It's the blood, man
It's the blood, man
Tell him or not?

It's the blood, man
It's the blood, man
It's the blood, man
Get it or not?

I can see him, can you see me
Are them eyes real, looking at me
You take it too far, yeh that's what you do, yeh
Uh,uh,uh,uh,.....uh,uh,uh,uh,

Planes, trains stop looking at me
You gaze like a mirror, you take it too far
Carry on movie, carry on movie
Carry or move it, B, B, B, burn a lamb
Amuser, amuser, use it, amuser
If you catch on good, I'm goin'
Amuser, amuser, use it, amuser
If you catch on good, I'm goin'

It's in the blood (x4)
Get it or not!

It's the blood, man (x3)
Tell him or not.

AAAAAHhhhhhhhhhhhhhhhh.....(x3)

If you catch the cure (x3)
Were goin'

If you catch the cure (x3)
Were goin'

If you catch the cure (x2) AHhhhhh.....(Over the
outro)
Were goin'

If you catch the cure (x3) it's in the blood man!(To
Outro)
Were goin'

It's comin' ready or not.....(Outro-Fade)
