"Noone Here"

I feel warm and whole
But there's noone here
Yes, and mine's a heavy soul
But there's noone here
sun
my is
Look rising

~~~~~

And it's rising over there  
But there's noone here  
There's noone here  
I'm without a body  
To keep me warm  
And not even a kitty  
To share my storm  
Well I know what I need  
But there's noone here  
And I know just where I bleed  
But there's noone here '

'

'

sun  
my is  
Look rising

~~~~~

And it's rising over there
But there's noone here
There's noone here
And I'm without a body
To keep me warm
And not even a kitty
To share my storm
Well I want a warm brain
But there's noone here
'Cause mine's under a strain
And there's noone here

sun
my is
Look rising
