Is it a physical reaction?
A final loss of satisfaction
You never noticed when you crossed the line

You had me just there where you wanted
You took my charity for granted
You blew your second chance too many times

BABY YOU'RE A BIG BOY
DON'T CRY FOR ME
SICK OF BEING YOUR TOY
DON'T PLAY WITH ME
YOU'VE BEEN PUTTING ME UP
YOU'VE BEEN LETTING ME DOWN
THERE IS NOTHING LEFT TO DESTROY
FOR YOU - BIG BOY

Never did anything to reach me
But when I asked you to unleash me
You tied me up and choke me even more
(what for)
Here is your chain
I guess you find the door, once more

Remember how you brought me flowers
Remember how you used to care
Now the flowers got thorns
You just care for yourself
And the paradise you gave me turned into hell
There is no turning back
As a matter of fact
It's too late

There's no way to stop me
There's no way to lock me up
You can't stop me
