Visit "[He's Alive](#)" on MotoLyrics.com

{"Alice" is one of Happy's monster paintings}

He's alive

He's alive

And why?

Because I let him live

Open your eyes

Alice arise

Take my breath

Breath my life

Come through the walls

Your lady calls

Lean on me

There's no captivity

Roam the streets

Invade their dreams

He's alive

He's alive

And why?

Because I let him live

Open your eyes

Alice arise

Take my breath

Breath my life

Come through the walls

Your lady calls

Lean on me

There's no captivity

Roam the streets

Invade their dreams

He is alive

He is alive
