Yes they can say "She's not so great"
That they could do the very same
I am a legend in my
A legend in my own mind
Ooh I can feel all that I sing
I can do almost anything
I am a legend in my
A legend in my own mind
I have a brain that's taken me to the core of the world
I've been to Anglo-land and lived beyond the castle
wall
So pooh on you
Ooh it's inside my active mind
That I am one of a kind
I am a legend in my
A legend in my own mind

I wish that you would all agree
That I'm impeccably me
Make me a legend in your
A legend in all your minds

I am a witch who lived before your time
I am a prince and this forest is mine
So pooh on you
Yes they can say "She's not so great"

That they could do the very same
I am a legend in my
A legend in my own mind
'Cause I can feel all that I sing
I can do almost anything
I am a legend in my
A legend in my own mind
I have a brain that's taken me to the core of the world
I've been to Anglo-land and lived beyond the castle
wall

So pooh on you
Ooh it's inside my active mind
That I am one of a kind
I am a legend in my

A legend in my own mind
I am a legend in my
A legend in my own mind
I am a legend in my
A legend in my own mind
Make me a legend in your
A legend in all your minds
