I ask you
Now tell the truth
I ask you
Was it worth the price you paid?
If so...
I know you loved me
Darling
But I need to know
Did you mean to hurt me so?
If so...
Go away way very far away, take your leave
I'll never hate you, I'll never think of you
And I'll never grieve
Did you want it all?
Free love
Did it satisfy?
Was it your intentions to deceive?
If so...
You made me happy
You made me cry
You gave me hope
Was my happiness a lie?
If so...
Go away way very far away, take your leave

I'll never hate you, I'll never think of you
And I'll never grieve
I'll never grieve the loss
I ask you
Now tell the truth
I ask you
Was it worth the price you paid?
If so...
