this - is - my - world
this is my world
I am the queen
I?m doing what I want
can be really mean
I could grow strong
and have sharp thorns
go painfully through your skin
anytime I want

but when I?m small
you break my neck
I can?t defend myself
close my eyes instead

I am a flower (flower)
In the sun(in the sun) - I bloom
I am a flower (flower)
I grow for you

I can make you burn
I can make you freeze
for every enemy
I have a special disease
but when I?m small
my life is in your hands
I can?t defend myself
against your violence

I am a flower (flower)
In the sun (in the sun) - I bloom
I am a flower (flower)
I grow for you

Flower
Flower
without your water I will die
won?t you care for me
wont you care

so here I am

look into my eyes
do not forget my name
I don't say it twice
I want your care
your total love
don't wait too long, my dear
I could get rough, take care

I want it now
I want it now
I want it now
I want it now
I want it - now
