The day must come for us to begin  
 The ways away from the craze we're in  
 These hands are yours  
 Baby to hold in your own  
 Now don't let them go  
 Don't leave them alone  
 I'm not a child of righteous birth  
 I live my pain for all it's worth  
 I never wanted  
 Baby to bring you down  
 To grind and pound  
 You into the ground  
 You are the shine in the hollow of my eye  
 And my time whiles by faster with you by my side  
 Don't want for you to lose the smile  
 (shine in the hollow of my eye)  
 That keeps my heart apart from the bile

So run within  
 Baby fly with my brain  
 Enter the realm  
 Of mental strain  
 What comes ahead is something I fear  
 (shine in the hollow of my eye)  
 I am what you feel and not what you hear  
 Now love and life and I  
 We don't get along  
 So help me be strong  
 Where I don't belong  
 You are the shine in the hollow of my eye  
 And oh my pain slithered away  
 Hey baby, when you asked me to stay

You are the shine in the hollow of my eye  
 And my time whiles by faster with you by my side  
 Faster with you by my side  
 Faster with you by my side  
 Faster with you by my side
