How it feels  
How it is  
People telling me about it 2x

For the first time you're falling  
Noone hears you calling  
No more time for your self-apologies  
For the first time you feel it  
Burning sky and you're bleeding  
Have you gone too far to raise your hand?

You hit the Ground  
There's no way out  
You're asking questions  
Losing direction

Chorus:

So tell me how it feels  
Are you paralyzed?  
So tell me how you feel  
Time to open up your mind

I'm so sorry you heard it  
Hate to see you crawling  
Maybe you'll be better off this way  
Got to see you're mistaken  
Thin ice kept on breaking  
Maybe you will understand one day

Chorus...

You hit the Ground  
There's no way out  
You're asking why

So tell me motherfucker  
Tell me how it feels  
Time to be a sucker  
Time for getting real

So tell me how does it feel? 3x

Chorus... 2x

How it feels

How it is

People telling me about it 2x
