Ooh rainlover
 You're the one
 You're the one I'm dreaming of
 Be my love
 Ooh rainkeeper
 Does your heart..
 Does it overflow with fear?
 You and I could cry a sea
 'Cause I'm the other side
 Know where you hide
 I'm there
 So be wary of me rainlover
 In my dreams
 You are lying by me
 And we're free
 Ooh rainmaker
 Do you know..
 Do you know where my love goes?

Only mother knows
 That I'm the other half
 The psychopath
 I'm here
 Better fear me
 Your other side
 Know where you hide
 I'm there
 So be wary of me rainkeeper
 Time to die
 And she wants you by her side
 Forces to collide
