Coming around 'e gonna take my heartbeat

Coming around 'e gonna steal my heartbeat

Off the line

Oh oh, 'e coming behind 'e gonna take my heartbeat

Coming behind 'e gonna steal my heartbeat

Anytime

We meet with friends, we talk carcinogens

< What ya gonna do run, run, oh >

The toxic dumps, and the malignant lumps

< What ya gonna do run, run, run, run >

The smoke alarms, and the organic farms

< What ya gonna do run, run, run >

We're running faster, to beat the master

< Oh run, run, oh >

Coming around 'e gonna take my heartbeat

Coming around 'e gonna steal my heartbeat

Off the line

Oh oh 'e coming behind 'e gonna take my heartbeat

Coming behind 'e gonna steal my heartbeat

And make the line

She drives the cart, right down the aisle

< What ya gonna do run, oh run >

< What ya gonna do run, whatcha gonna do >

Can't buy a thing, without worrying

< What ya gonna do run, run, oh >

Coming around 'e gonna take my heartbeat

Coming around 'e gonna steal my heartbeat

Off the line

Oh oh 'e coming behind 'e gonna take my heartbeat

Coming behind 'e gonna steal my heartbeat

And make the line

Oh 'e coming again 'e gonna steal my heartbeat

'e gonna pull my pressure down

Oh 'e coming again 'e gonna steal my heartbeat

'e gonna put me in the ground....six feet under baby

But I can run really really fast yeah

Eatie the food that gonna make me last yeah

Go to the doc and have him pull the skin back

Pull the grey and color everything black

Wear a hat to make up for the ozone  
Better yet, I'm never gonna leave home  
Why yes you're right, could be your time  
< Oh pack your bags and go >  
You make the rules, so live your life  
< Just live your life >  
Coming around 'e gonna take my heartbeat  
Coming around 'e gonna steal my heartbeat  
Off the line  
Oh oh 'e coming behind 'e gonna take my heartbeat  
Coming behind 'e gonna steal my heartbeat  
And make the line  
Oh 'e coming again 'e gonna steal my heartbeat  
'e gonna pull my pressure down  
Oh 'e coming again 'e gonna steal my heartbeat  
'e gonna put me in the ground....six feet under baby  
But I can run really really fast yeah  
Eat the food that gonna make me last yeah  
Go to the doc and have him pull the skin back  
Pull the grey and color everything black  
Wear a hat to make up for the ozone  
Better yet, I'm never gonna leave home  
Oh 'e coming again 'e gonna steal my heartbeat  
'e gonna pull my pressure down  
Oh 'e coming again 'e gonna steal my heartbeat  
'e gonna put me in the ground....six feet under baby  
But I can run really really fast yeah  
Eat the food that gonna make me last yeah  
Go to the doc and have him pull the skin back  
Pull the grey and color everything black  
Wear a hat to make up for the ozone  
Better yet, I'm never gonna leave home
