Visit "[Step Inside](#)" on MotoLyrics.com

All's quiet now
Step inside, step inside

All's quiet now
Step inside, step inside
My mind
Experience the other side

I'm crying now
Step inside, step inside
I'm crying now
Step inside, step inside
My mind
Experience the other side
You're never safe in this atmosphere
Do you want to be?
You could be trapped inside of me
Do you want to be?
Are you alone?
Step inside, step inside
All alone?
Step inside, step inside

My mind
Experience the other side

You're never safe in this atmosphere
Do you want to be?
You could be trapped inside of me
Do you want to be?

Easily frightened?
Step inside, step inside
Easily frightened?
Step inside, step inside
My mind
Experience the other side
