Mine are like the wings of a butterfly  
A dusty pair so,  
Don't you touch them or I'll never fly anywhere  
And the wretches have gone awry I saw them walk on  
by  
Ever see the wings of a dragonfly?  
Paper-thin and cellophane  
And quickly broken like the will to live for a mind in pain  
And the wretches have gone awry I saw them walk on  
by  
I cannot change what is and  
I cannot make it die  
But I can love with all my heart  
The wretches gone awry  
And the wretches have gone awry I saw them walk on  
by

You know I can be rid of my time and the moon will  
always shine  
'Cause he knows I need him to walk this vile and  
crooked line  
And the wretches have gone awry I saw them walk on  
by

And you can own all the light in the world and still be  
blind  
And lie and hide away from the people in the world and  
still be kind  
And the wretches have gone awry I saw them walk on  
by  
I cannot change what is and  
I cannot make it die  
But I can love with all my heart

The wretches gone awry  
And the wretches have gone awry I saw them walk on  
by  
All I ask is you let me be to live like I do  
I'll never be part but someday I will pass on through  
And the wretches have gone awry I saw them walk on  
by  
You can pull the wings from a dragonfly  
And you can kill the flight of a butterfly  
But you can't harm me for I live with the freedom to  
decide

And the wretches have gone awry I saw them walk on  
by  
You cannot change what is and  
You cannot make it die  
But you can love with all your heart  
The wretches gone awry  
Say  
You cannot change what is and  
You cannot make it die  
But you can love with all your heart  
The wretches gone awry  
Yes the wretches have gone awry I saw them walk on by
