I have two wings to fly, but still I feel the gravity  
I have two eyes to see, but the fog is blinding me  
I have a healthy heart, but you don't let it beat  
I have a right to live, you have a right to forbid

I have two ears to hear what you're saying about me  
I have a brain to think, what does it mean to me  
Yes, I'm sure, I do have pride, but it seems that's not  
enough  
It's anyway always on someone else

Time's getting wasted, getting wasted...

TIME IS TICKING IN MY HEAD, TICKING IN MY HEAD  
TIME... SAYING TO MYSELF... IST TICKING IN MY HEAD

The time is getting wasted  
I feel it every day

I have two wings to fly, but still I feel the gravity  
I have two eyes to see, but the fog is blinding me  
I have a healthy heart, but you don't let it beat  
I have a right to live, you have a right to forbid

Time's getting wasted, getting wasted...

TIME IS TICKING IN MY HEAD, TICKING IN MY HEAD  
TIME... SAYING TO MYSELF... IST TICKING IN MY HEAD

I put all my power  
All my belief  
I put all my life on only one thing  
That's my only fault
