

Happy, Die "From Above"

A freefall in my head, exiting
A beautiful demand for me
All are willing - to do what I please
I'll always be the best, baby
I will never rest, well, maybe
What if I don't cry
Do you want to die ?
Are you who you are ?

I'm never running into debt
I have my future in my hands
I can't I can't fall from above
I feel it

I flip over my life, sometimes
A big smile on my face
Sun shines
Are you willing - to do what I please
I'll always be the best, baby
I will never rest, well, maybe
What if I don't cry
Do you want to die?
Are you who you are ?

I'm never running into debt
I have my future in my hands
I can't I can't fall from above
I feel it

When you look into my eyes
I make you paralised
You feel it inside
I wanna be a part of you
I wanna get the smell of you
I want you, I want you
And then I feel complete

I'm never running into debt
I have my future in my hands
I can't, I can't fall from above
I feel it

Iâ€™m never running into debt
I have my future in my hands
I canâ€™t, I canâ€™t fall from above
I feel it

Iâ€™m never running into debt
I have my future in my hands
I canâ€™t, I canâ€™t fall from above
I feel it
