How it feels
How it is
People telling me about it 2x

For the first time you're falling
Noone hears you calling
No more time for your self-apologies
For the first time you feel it
Burning sky and you're bleeding
Have you gone too far to raise your hand?

You hit the Ground
There's no way out
You're asking questions
Losing direction

Chorus:

So tell me how it feels
Are you paralyzed?
So tell me how you feel
Time to open up your mind

I'm so sorry you heard it
Hate to see you crawling
Maybe you'll be better off this way
Got to see you're mistaken
Thin ice kept on breaking
Maybe you will understand one day

Chorus...

You hit the Ground
There's no way out
You're asking why

So tell me motherfucker
Tell me how it feels
Time to be a sucker
Time for getting real

So tell me how does it feel? 3x

Chorus... 2x

How it feels

How it is

People telling me about it 2x
