Sun is setting down  
Shadows get bigger  
Mean noises around  
The air tastes bitter  
Pictures start to move  
They make bad faces  
Bats are flying 'round  
In fast races  
The moon is greeting me  
But I can't see it  
The bad spell is here  
And I sure can feel it  
Creatures 'round my bed  
I can hear them mumble  
Their eyes shine red  
And they stumble  
I don't wanna die...

SCARE ME EVERYNIGHT  
AGAINST YOU I WILL FIGHT  
'TILL THE SUN WILL RISE  
I'M LIVING THIS HELL  
VIOLENT DREAMS  
AND WHEN IT'S LIGHT  
THE DEAMONS TAKING FLIGHT  
OUT OF MIND AND SIGHT  
I'M RID OF THIS SPELL  
VIOLENT DREAMS

Sun is rising up  
Shadows get thinner  
After last night  
I am the winner  
This night isn't better  
I don't wanna stay here  
Why should it matter  
My visions are queer  
Cold sweat on my skin  
My heart is beating  
Might have been a sin  
'Cause my hands are bleeding  
It's been already years

Since it first happened  
All I have are tears  
And no weapon  
I don't wanna die...

SCARE ME EVERYNIGHT...

Go away bad ghost  
Disappear  
You don't make me feel any fear  
I do not give a damn 'bout you  
What did I do to you?

SCARE ME EVERYNIGHT...
