[Snoop Dogg]

They lay, one of my homies down, 2 of my enemies.  
I grab the heat, creep up your street and squeeze.  
I'm in y'all neighborhood, so what the fuck is up?  
And if I catch you imma pop you nigga, that's whats up.  
We can talk about it now, i don't think so,  
And imma catch you when you creepin with that pink  
toe,  
You tryna creep up out that meat store,  
Get you a drink so when i hit you, you won't even trip to  
think so.  
Cross your heart, double dot your eyes,  
Yellow tape you, make you a homicide.  
Stretch you out like a red vine,  
Halloween is your deadline, beddy by time.  
I, zag the zig, i put a fork in the pig,  
I clocked the glock and pop you, my nigga ya dig?  
I open ya up, and leave you leakin by the face,  
And get away, aint got no time to be catching no case.  
To slick to sly, plus I'm too high.  
I'm too fly, and I do die, i do die.  
I love to shoot an intruder, I mix the purp with the  
buddha.  
Love chicken and beer, like the home boy Luda.  
I'm big snooie, d to dub, imma killa cuz.  
I'm dranked up like a stilla, a gorilla duh.  
Sacramento no, pedal to tha floor,  
Anotha killin for wheelin my nigga let it go.

[Daz]

We on the corner of 102 (to bad, they fucked up).  
And the (word on the street) they got blast the fuck up.

from the dog pound.

To stop all y'all motha fuckas where y'all stand.

We do what you can't, I am what you ain't.  
Don't even try to provoke me cuz.  
Loccin, smokin, slipping, smoke me cuz.  
I'll beat your ass on a locc so fast.  
Bang on your homies, spread through your hood.  
Release these toxins like mustard gas.  
Scap the Chevrolet, its all to the good,  
My nigga Brotha Lynch, Kurupt, Snoop and Daz.  
[Brotha Lynch Hung]  
Shit, nigga this G block crossed me.  
Double any nigga with a rusty old crusty.  
Sacramento yes, catch em in the chest,  
Right by his tour bus, left a bloody mess.  
It was none of cudi left, coat hanger strangled him.  
Aimed at him, he don't know what angle I'm comin  
from.  
Hangled him, spider webs all over his cranium,  
(that nigga has spider webs all over his cranium,  
nigga).  
Me and crooked I know, niggas be talking to much.  
Nigga shut your pie hole, everybody know you do suck.  
This ain't a reality show, hungry niggas do touch.  
Motha fuckas to clutch, give a niggas two cuts.  
Got an army of niggas I'm strange, it ain't a rumor.  
We givin niggas brain tumors, hit em with the lugar.  
I'm doin the rappin, and this nigga is the shooter.  
Yea he got a mask on, but nigga hes a shooter.  
You will never see his face on the computer, spider-  
man junior.  
(Oklahoma shooter)  
Poke a hole with two cuts,  
This motha fucka said he about to do what?  
Get chewed up, its dinner and a movie, duece for  
nigga.
