[Intro]

I hate when niggaz get on the phone when they're  
around me  
It ain't business shit, If it was business shit I could see  
what your sayin  
These niggaz get on the phone man, They make me  
feel a little funny  
Ya know what I mean? You know what I mean Roberto?  
You handle business when you get on the phone, nigga

[Verse]

I hate when niggaz get on the phone when they around  
me  
I really get paranoid, Get the 50 pound piece  
Pepper box in my socks, Use it for ground beef  
I know they plottin so I don't go to town meeting's  
They wanna hit me like Barry Bonds  
They wanna get me in the backseat and send me to my  
mom's  
They wanna pick me up  
They want the ambulance get me up  
They think I don't know  
I didn't sign up for this  
Black Market got me in this twist and did a flip-flop  
back flip  
But this is Crip-Hop, That's it (cuzz)  
Just wipe your dick off, That's it  
Yeah, just get your bitch off, That's it  
Just cause your shit's soft, That's it  
I like to get off gat spit  
I like to spit raw rap shit  
I might get shit all backwards  
Takin it out on the wrong niggaz and yeah that hurts  
So I have to let the gat squirt then disappear  
I'm satisfied and that works

[Outro]

Just before we get into the last song  
Shouts out to Strange Music for puttin me on  
Ya know what I mean? This weather out here is crazy,  
It's crazy
