Chorus(Lynch and D-Dubb)4x

I re-fuse to lose

Fuck them 22's

I got an AP 10 and a throwaway Tech 9

So you know you can't fuck with mine

(Verse1)

(Lynch)

If I was standing in the dark letting my nine spark

(D-Dub)

Maybe in the morning, motherfuckers might feel me
yet

(Lynch)

It's that nine tech nigga that got them motherfuckers
tore up

As I smash of in a seven deuce cut, you holding your
gut

Talking about

(D-Dub and Lynch)

What the fuck you smoking on?

(Lynch)

All dome as the chronics got me gone

Nigga it's on

On 'til the slugs come out

(D-Dub)

At night I do my murder red rum so tight

(Lynch)

I'ts the third strike nigga

So now I'm aiming up at your dome

'Bout to make your brain split and hit the Fleetwood
Brome

I'm like Richard Chase, mixed with Al Capone

If you want some ripgut shit nigga

Yeah, I got it sewn

So bone to the crib, or get your wig split fool, with the
tech chrome

And say the alphabet backwards fast or find you a
brand new dome

A criminal minded nigga that gots tefs in his nine

So head to the East side, 'cause it's red rum time,
nigga

Chorus 4x

(Verse2)

Nigga, it's that-Sac of Indo-Killafornia State of mind
Where niggas put their gangster gear on, and bend
corners
In a Chev 69
Wire rims
You can't see
With their neighborhood flags and their black Carthart
beenie
I'm like Genie
As I swoop through the hood and get up to no good
And I wish you would
Test my tech, 'cause nigga, it loves to take out necks
And empty backs out, so I max out
350 on the black top
More smoke than chronic smoking
Loced out sherm, classic perm
In my ashtray, there's always a roach
Hit the left lane in case one times approach
I got, 5 warrants and some '89 tags
17 in the clip of my, auto mag
I'ts sad
I gotta watch my back, 'cause these niggas wanna
throw me up in a black
leather sack, and throw me over their back
But fuck that
Why you think I got extended clips
'Cause I'm so high, most of the time
I just can't miss, nigga

Chorus 4x
