[Grisly voice]

Yeah, the Baby Killa's back up in this motherfucka...

Straight from tha grave,

it gets so deep right under the Garden Blocc...

Oh, me? Ya can just call me Manson...Yeah, we met before...

But ya forget that I ain't gonna die so I'm back up this motherfucka...

So peep the mothafuckin' words from the dead man, yeah...

[Brotha Lynch Hung]

And when I pack me a gun and, oh, when I was young

I dreamed of feedin' them niggas soufle (soofley) a' la dunn

Motherfuckas get hung, my bullet weights a ton

The Garden Blocc Don, the valley of the slum

Tha cannibalistic nigga that got that 9 millimeter gun

That nigga that nigga that got them mothafuckas on the run

They thought that I was done but Lynch is not the one

To go out from a gunshot wound, nigga, I'm not done that soon

Bitches, they come but nut just like the rest, caught one in the chest

Shoulda wore a vest and, oh, what a bloody mess

Puffin' off the cess, dealin' with the stress, killin' off the less...

Fortunate but they trip when my nine gets sick

Them niggas either die or stay stuck on my dick

Cause I'm that nigga they call Lynch, I got'em niggas fiendin' for my shit

I empty clips, drinkin', fuckin' with tha splift

And it's the nigga that kill for reason, it's the Season Of The Sicc

That's why I got the urge to shoot that pussy clit

And kill off that infant, so what is my intent?

To show them mothafuckas livin' life ain't shit

I gets to gettin' real sick and eatin' bloody clit, the baby killa shit

Put 'em in a grave with an empty 40 ounce bottle and don't leave a drip

Cause livin' with tha Tripple-Six

Ya learn to fuck devil in his mouth and eat the shit out of his bitch

And I admit: my brain is kinda sick

But now I'm like J. Dahmer, I'm chewin' up all the evidence

I killed to cure my fit, the human meat fix  
Bitin' to the skin rips, that sick nigga, so sick

Livin' dead ever since...  
[Grisly voice]

Yeah, do ya wanna know what that Siccness is?

The Siccness is when you hug your mama and ya dick get hard

Or you walk in on your baby's mama as she's suckin' your son's dick

That's the mothafuckin' Siccness...

So, ya mothafuckas don't ya forget that shit...

And don't forget where the Sicc came from...

That nigga Lynch...

[Brotha Lynch Hung]

I take my mouth off up that cock and trip

Cause eatin' dead pussy clit I make ya sick

But it's the Season so my reason is legit

I'm havin' fits, I dreamed of eatin' bloody pussy clit's  
since I was six

I fiend for a dead pussy on dick, I gotta skits

Meanin' I don't give a shit about ya biyatch

That nigga that's from tha Blocc, killin' up tha cock, so,  
nigga, shii-it

Baby barbeque ribs and guts and, ah, don't let me get  
too deep

Fryin' baby nuts, sluts get ate out alike, dank is what  
crooked teeth heard

I pull the Tampax-string out and straight put in work

It wouldn't work without that sick, so page a nigga  
quick

So I can serve ya some of this shit and have ya  
murderin' ya biyatch

Cause me and Triple-Six grew up fuckin' bitches up the  
gut

With tha 9-millimeter clip, Season of the Sicc, picture  
this:

Pussy meat ripped in a pan full of nuts and guts and  
intestines and shit

I gets ta chewin' on tha clit, the sick, they just don't  
understand it

It's so outlandish, chewin' nigga nuts to cure my fit

The human meat fix, bitin' 'til the skin rips, that sick  
nigga, so sick

Livin' dead ever since...
