Baby

It's like eleven o'clock

You know we got to get over to the mall

Because I can't lie to you

If you want to stay with me

You got to change your wardrobe

You know there's something about you girl

Cause I just can't seem to get past your curves

Baby do you like my clothes?

Cause I sure don't like yours

Unless they're lying on the floor

With your body next to me baby

(I need your love) I need your love

Hyper-color tells me where my baby is hot

Cause I can see your sweatpants gettin' dark in the crotch

Someone please, get her out of that Tommy gear

I saw that shirt at TJ Maxx, double-x earlier this year

Baby do you like my clothes?

Cause I sure don't like yours

Unless they're lying on the floor

With your body next to me baby

I need your love (I need)

Tonight

(Baby) Baby Baby Please

Baby do you like my pose?

Kick it girl, do you like my clothes?
