Never mind how I'm drinkin'
I'm sippin' on a way of life
I hit that thing up
Pass it to the right hand side

Pulling it so classic, I'm 'bout to come all night
Now you gotta release it to the butterfly
And let those colors take you to the fire's light
An' forget all your troubles and let love multiply

Try to kill the vibe
Well, I can shake it off
I'll be gettin' by
'Cause the beat don't stop

Let the freedom fly
To the stars above
I'll be gettin' high
On the summer love

I smell something good
Comin' off someones grill
'Cause everyone should know
That's how we keep it real

Gather up your friends
And make your special tea for them
Let them return the favor
When the time comes

Try to kill the vibe
Well, I can shake it off
I'll be gettin' by
'Cause the beat don't stop

Let the freedom fly
To the stars above
I'll be gettin' high
On the summer love

And if you feel like times are gettin' rough
Just take my hand and fill your heart on us

Try to kill the vibe
But I can shake it off
I'll be gettin' by
'Cause the beat don't stop

Let the freedom fly
To the stars above
I'll be gettin' high
On the summer love
