See sometimes things get a little sinister
And you gotta know when to step off
And I'm here to tell you that when my girl's with me
That time is now
Don't leave a scar Har Mar

Tell 'em about it
It's a summer night
And we're barely dressed
Come along with my homies
For a train bridge sess'
Well I got the 40
Gonna tip some for the dead
Cause when you kick it with me
It's all about respect

Chillin' with my girl, but he's still got beef

(Ah hah) And I don't know why

I'm gonna play it cool
If he gets in my face
Cause I know I could take this fool
Anytime, anyplace
(Anybody knows that)

See, I've got class and I keep it real
Ain't got time to scrap
When I'm chillin' with my girl
Ooooo Oooo

We're blastin' beats
From street to street (Yeah)
Kickin' lyrical knowledge (lyrical knowledge)
Ain't got time to eat (Eat it up)
Gotta sharpen my skill
So I can pay the bills
And dine fine with my lady
Gonna keep it real
(So so real)

This is the breakdown
Catch your breath

R-E-S-P-He-Sees-Me
Chillin' with my girl, but he's still got beef
R-E-S-P-He-Sees-Me
Chillin' with my girl, but he's still got beef
R-E-S-P-He-Sees-Me
Chillin' with my girl, but he's still got beef
R-E-S-P-He-Sees-Me
Chillin' with my girl, but he's still got beef
R-E-S-P-He-Sees-Me
Chillin' with my girl, but he's still got beef

On this summer night
Take off your dress (Take it off)
See, all my homies left
So you and me can have a set (Right here)
I got the Hennessy
And the Alize
Cause tonight raw emotion
Comes into play

R-E-S-P-He-Sees-Me
Chillin' with my girl, but he's still got beef
R-E-S-P-He-Sees-Me
Chillin' with my girl, but he's still got beef
