She'd be making love to music  
Every time I came along  
Her eyes wide open, she couldn't breathe  
Raped and loved by her favorite song

Her face was pale, her skin unscarred  
Legs embalmed like porcelain jars  
All Gods cried out to hear her moan  
Her angels died right on their thrones

Chorus:  
Forever more, forever yours  
I can't control what I adore!  
A war within this soul of mine  
Under the penderosa pine

No living man could make her come  
As music was the only one  
"I live for you, in you alone  
Can I confide my rights, my wrongs"

Now there she walks right down the hills  
Surrounded by its chemistry  
A green day, blue grass, purple, stones  
Musical chameleons

Chorus:  
Forever more, forever yours  
I can't control what I adore!  
A war within this soul of mine  
Under the penderosa pine

In her heart she knows it well  
When art is lost and music's dead  
That everything around her dies  
And anything she says is a lie

Chorus:  
Forever more, forever yours  
I can't control what I adore!  
A war within this soul of mine  
Under the penderosa pine
