Intro

Verse 1

I can try to reincarnate the gods
But your love is gone, it's all I wanted
All I can think of
In my mind I can almost touch your face
And just for a while
I am totally out of this place

Chorus 1

In my life, I can see
That you were the only song
That could stop me from breathing
Lost the sky since you're gone

Still I can feel you near
Yes I can feel that you are still here

Verse 2

I can try to remove all the wings
From the angels above you

Crossed my mind, I would
Give you the time, if only I could
Turn it around for all that once sunk
All that I've done
What I'm trying to say is that
You are the only one

Chorus 2

In my life, I can see
That you were the only sun
That kept stop me from breathing
Lost the sky since you're gone

Still I can feel you near
Yes I can feel that you are still here
Still I can feel you near
Still I can feel you near

Outro + solo guitar
