I feel the rhythm
I can feel it in your heart
I feel the rhythm
Just one touch

The rhythm
In your heart
The rhythm
Just one touch

I feel the rhythm
I can feel it in your heart
I feel the rhythm
Just one touch

I feel the rhythm
I can feel it in your heart
I feel the rhythm
Just one touch

My love is true, music and you
Easy to see, listen to me
Moving along, singing this song
Playing for me, a smile's what you need

Crowd starts to move
(It's clear)
Seeing them groove
(I hear)
You start to play
And the night is ours forever

Lost in this room
(I Know)
Speakers go boom
(And grow)
Pounding the floor
All the people join together

This is my DJ, please
Everybody hear the music
This is my DJ, please

Everybody love the music

This is my DJ, please
Everybody hear the music
This is my DJ, please
Everybody love the music

I feel the rhythm
I can feel it in your heart
I feel the rhythm
Just one touch

I feel the rhythm
I can feel it in your heart
I feel the rhythm
Just one touch

Spirits are high, music is loud
You are my man, that's make me proud
Begging for more, total control
This is your throne, the DJ Consol

Crowd starts to move
(It's clear)
Seeing them groove
(I hear)
You start to play
And the night is ours forever

Lost in this room
(I know)
Speakers go boom
(And grow)
Pounding the floor
All the people join together

This is my DJ, please
Everybody hear the music
This is my DJ, please
Everybody love the music

This is my DJ, please
Everybody hear the music
This is my DJ, please
Everybody love the music

I can feel the rhythm in your heart
Just one touch, I hear it's beating
And no one else can see
Our loving kisses meeting
