

Hard Stance "Our Turn"

Visit "[Our Turn](#)" on MotoLyrics.com

Why did you come here?
did you come here to fight?
or did you come here to gain some insight?
if you came to brawl,
you better turn around.
we didn't come this far
to let you stop this now.

cause its our turn!

we didn't come here to fight
we came to learn.
i'm going to give
i'm not going to take.

we're not going to make
your violent mistake.

NO...NEVER AGAIN!

sometimes i question if you really care?
if you don't, why don't you get out of here.

cause' its our turn!

we didn't come here to fight
we came to learn.
when will you learn?
