Don't write cheques that you can't cash  
You've been telling lies and you're gonna crash and  
burn,  
The music's loud, try to forget,  
The things you did, the things you said  
Try to lose myself into the crowd,  
People here are jumping, people freaking out,

Hold out, cause everything will come my way  
Come on, cause I'm only gonna tell you one more time,

So when you're ready come on  
Bring it on, bring it on, bring it on come on bring it on,  
Cause I'm the winner and the winner stays on, stays on,

If you want trouble it's coming your way  
If you wanna war you only gotta say  
But you can't stop, once you start me up  
Gotta take you out, I'm gonna f\*ck you up,

Hold tight, cause someone's gonna take you down  
Hold out, cause everything will come my way  
Come on, cause I'm only gonna tell you one more time,

So if you're ready come on  
Bring it on, bring it on, bring it on come on bring it on,  
Cause I'm the winner and the winner stays on, stays on,

So when you come to rip my heart out  
I'll be waiting in my armor  
Cause ever since I was a small boy  
It's always been like this,

You gotta try a little harder  
Because I won't let go, I won't let you, no

So when you're ready come on  
Bring it on, bring it on, bring it on come on bring it on,  
Cause I'm the winner and the winner stays on, stays on,

So when you're ready come on

Take me on, bring it on, bring it on come on bring it on,  
Cause I'm the winner and the winner stays on, stays on,

Go get your army, go get your guns  
Gonna take you down, gonna take you on  
Go get your army, go get your guns,
