I get out of my head so I don't lose my mind
I spent all of my money on a Friday night.

Excitement! Can't get none,

I'm like a real live wire, I'm feelin' fit to burst
People see no good, only fear the worst,

Excitement! Can't get none,

Shootin' the breeze, letting off steam
The night gets freezing, I need some,

Excitement!

No fun to be found unless you're on one
So bored of being so bored
No kicks I can't get no fun, I need some,
Excitement!

No love around here can't get none
So bored of being ignored
No kicks I can't get no fun, I need some,
Excitement!

Standing in line for the bar bathroom
Just follow your nose, tick tick tick tick boom!

Excitement! Can't get none,

I keep turning up, but you just turn me down
All I need,

Excitement!

No fun to be found unless you're on one
So bored of being so bored
No kicks I can't get no fun, I need some,
Excitement!

No love around here can't get none
So bored of being ignored
No kicks I can't get no fun, I need some,
Excitement!

Getting out of my head,

(Is there anybody out there?)

Excitement!

No fun to be found unless you're on one

So bored of being so bored

No kicks I can't get no fun, I need some,

Excitement!

No car no money just the policeman

So bored of being so bored

No kicks no no I can't get none, I need some,

Excitement!

Shootin' the breeze, just letting off steam

The night gets freezing, I need some,

Excitement!

Shootin' the breeze, just letting off steam

The night gets freezing, I need some,

Excitement!

Getting out of my head,
