Darling, there's fire in the house tonight!
It's burning hot and ragin' wild,
But I love you!

Sweetheart, the dogs are running wild today,
Dogs of war that howl and bay
But I love you! But I love you!
But I love you! But I love you!
And I love you! And I love you!

Baby, I need you tonight,
We ain't got time to fuss and fight
If you're lost just call out,
Call out when the love is gone!
Do you remember, do you recall,
When the good times filled your heart and soul
We'd dance, all night, we'd kiss in the morning light!

'Til I burn up, 'til all that's left is dust I'm yours
Protect you from the coming storm
'Cause I love ya!
Yeah I love ya!
Yeah I love ya!

Baby, I need you tonight,
We ain't got time to fuss and fight
If you're lost just call out,
Call out when the love is gone!
Do you remember, do you recall,
When the good times filled your heart and soul
We'd dance, all night, we'd kiss in the morning light!

There's fire in the house tonight!
Burning hot, burning wild!
If you let it
If you let it
Baby, I love you!
Do you remember, do you recall,
When the good times filled your heart and soul
And we'd dance, all night, we'd kiss in the morning
light!

Baby, I need you tonight,
We ain't got time to fuss and fight
If you're lost just call out,
Call out when the love is gone!
Do you remember, do you recall,
When the good times filled your heart and soul
We'd dance, all night, we'd kiss in the morning light!
Baby, baby
There's fire in the house tonight!
