The man who live upstairs is on a mission
He just talk, he never listen
He just talk, he never listen
And he complain,
Complain about my love of music
Says it's too loud and he hates it
He don't like me because I don't fit
I said I don't care,
Don't care what you think about me
Me and my friends at least we're happy
Tell me, are you happy?
What are you good for?
Tell me what you're good for!
You're good for nothing, yeah, yeah
You're good for nothing

I'm good at wasting my time,
Messing up my life
Hanging out,
Yeah I'm the best waste of space about,
I'm good at drinking too much,
Flicking ash in a paper cup,
But I don't come cheap,
I'm good for nothing, I can't be beat
No no, good for nothing, no no
No, no, bueno para nada

Over at the nightclub, the club night doorman has a
problem
Smart shoes only, I ain't got none
He says shoes or in you don't come
As if it's not right, I don't cause trouble and I don't fight
Just want fun and dancing all night, all night

What are you good for?
Tell me what you're good for!
You're good for nothing, yeah, yeah
You're good for nothing

You keep me up all night, you know it's much too loud
Get a job, get a lot, tell me what are you good for

I'm good at wasting my time, (no sÃ© nada)
Messing up my life (no es decente)
Hanging out, (condenado)
Yeah I'm the best waste of space about (son mala suerte)
I'm good drinking too much, (no sÃ© nada)
Flicking ash in a paper cup, (no es decente)
But I don't come cheap, (condenado)
I'm good for nothing, I can't be beat
No no, good for nothing, no no
No, no, bueno para nada

You see the cover, upon the book,
You think you know me, take just one fucking look
before you criticize
Take a long hard look at yourself
You're just a screw up like everyone else
And I feel bad for you

I'm good at wasting my time, (no sÃ© nada)
Messing up my life (no es decente)
Hanging out, (condenado)
Yeah I'm the best waste of space about (son mala suerte)
I'm good drinking too much, (no sÃ© nada)
Flicking ash in a paper cup, (no es decente)
But I don't come cheap, (condenado)
I'm good for nothing, I can't be beat (yeah I'm)
I'm good at wasting my time, (no sÃ© nada)
Messing up my life (no es decente)
Hanging out, (condenado)
Yeah I'm the best waste of space about, (can't hear you)
Kicks from champaign, (no sÃ© nada)
And I try hard again and again, (no es decente)
But I don't come cheap, (condenado)
I'm good for nothing, I can't be beat
No no, good for nothing, no no
No, no, bueno para nada
