Oh, I've been working a week, I'm tired  
Yeah, I've been working a week and I'm  
Just living for the weekend

Hey hey, got some money I just got paid  
Got some money and I can't wait  
At six o'clock I'm out of here

Out there tonight is the night of my last  
Got my name on  
Run down my street Adidas on my feet  
I'm on fire

Working all the time  
Work is such a bind  
Got some money to spend  
Living for the weekend

When it gets too much  
I live for the rush  
Got some money to spend  
Living for the weekend

Oh man, yeah, I've been working a week, I'm shot  
Yeah, I've been working a week for what?  
Just living for the weekend

Ah shit, so my clothes are all counterfeit  
So my name isn't on the list  
No you can't come in, so go home boys

Slip round the back look at that  
There's a cracked toilet window  
Drop to the floor covers us through the dork, I'm on fire

Working all the time  
Work is such a bind  
Got some money to spend  
Living for the weekend

When it gets too much  
I live for the rush

Got some money to spend  
Living for the weekend

Can you feel it?  
Feel the pressure rising  
Pushing down on me, oh Lord

Pressure, pressure, pressure, pressure, pressure  
Feel the pressure  
Pressure, pressure, pressure, pressure, pressure

I'm living for the weekend  
I'm living for the weekend  
I'm living for the weekend  
I'm living for the weekend

I'm living for the weekend  
I'm living for the weekend  
I'm living for the weekend  
I'm living for the weekend

Going out tonight, going out tonight  
Baby, you and I are going out tonight

Going out tonight, going out tonight  
Baby, you and I are going out tonight

Going out tonight, going out tonight  
Baby, you and I are going out tonight
