"Sick Of It All"

I'm sick of it all...
I'm sick of it all...
I'm sick of it all...
I'm sick of it all...

In every paper I read,
States who's sleeping around,
It don't mean nothing to me,
I think it's bringing me down...

Shut up, shut up,
Yeah, it's impossible,
Shut up, shut up,
I'm sick of it all,
Shut up, shut up,
Gonna get a fireball and let it rip,
Gonna take out everything I hate,
It makes me sick, I feel like nothing's real...

Everything on TV,
Cult of celebrity,
Making monkeys a star,
It don't mean nothing to me,

Shut up, shut up,
Yeah, it's impossible,
Shut up, shut up,
I'm sick of it all,
Shut up, shut up,
Gonna get a fireball and let it rip,
Gonna take out everything I hate,
It makes me sick, I feel like nothings real...

Are you talking to me,
What are you trying to say?
You know I don't give a damn,
You know you make me this way...

Shut up, shut up,
Yeah, it's impossible,
Shut up, shut up,

I'm sick of it all,
Shut up, shut up,
Gonna get a fireball and let it rip,
Gonna take out everything I hate,
It makes me sick, I feel like nothings real...

I'm sick of it all...
I'm sick of it all...
I'm sick of it all...
I'm sick of it all...
