Sweat til you make your money!

They repossessed my guts, boarded up my head
Taken everything, left us all for dead
My heart is pumping and my shirt is sopping wet
The boss he thinks I'm lazy but he ain't the one who has
to sweat, sweat,

You've got to, you've gotta give it all
I'm burning up, I've gotta get myself checked
Sweat til you make your money!

Darling I've got plans I want more than this
And if you want to you could come along for kicks
You're working twice as hard just to get respect
The boss he thinks you lazy but he ain't the one who
has to sweat, sweat,

Dignity keeps running out on me
Scared to fail cause failure won't repair
The holes in your shoes buy new clothes to wear
They won't let you forget
You must sweat!

They repossessed my guts, boarded up my head
Taken everything, left us all for dead
Working twice as hard just to get respect
The boss he thinks you lazy but he ain't the one who
has to sweat,

You've got to (sweat!) You've gotta give it all (sweat!)
I'm burning up (sweat!) I've gotta get myself checked
Sweat til you make your money!

Why don't you come a little closer don't be shy
The night is winding down they'll soon turn up the lights
We're just two people out for all that we can get
I just wanna take you home, make you mine, make you
sweat, sweat,

You've got to, (sweat!) You've gotta give it all (sweat!)

I'm burning up (sweat!) I've gotta get myself checked
[x2]
Sweat, sweat, sweat!
