Beat the bully!
Beat the bully!

Why won't you let me be?
Shit seems to follow me
You kick me to the ground
Hit me if I make a sound
Everyone's having fun
Seems like no one cares
Like I'm in some plastic bag
But now I'm done
Gonna look all around
Time to bring you down

I won't be bullied so I beat down the bully
Hit me first, got no worries
Won't be bullied so I beat down the bully
To the ground!
I beat the bully!
I won't be bullied!

Beat to the ground now
Everyone is having fun
Yeah I know, oh I know
When I'm up
You are going down

I won't be bullied so I beat down the bully
Hit me first, got no worries
Won't be bullied so I beat down the bully
You can't bring me down!
Beat the bully!

Won't be bullied so I beat down the bully!
Yeah!
Won't be bullied so I beat down the bully!
Yeah!

I won't be bullied so I beat down the bully!
Hit me first, got no worries
Won't be bullied so I beat down the bully!

To the ground!
I beat the bully

I won't be bullied so I beat down the bully!
Hit me first, got no worries
Won't be bullied so I beat down the bully!
You can't bring me down!
Beat the bully!
I won't be bullied!
I won't be bullied!
I won't be bullied!
